## **NDIC EMPLOYMENT DRUG POLICY**

NDIC is firmly committed to a drug-free society and workplace. Therefore, the unlawful use of drugs by NDIC employees will not be tolerated. Furthermore, applicants for employment with NDIC who currently are using illegal drugs will be found unsuitable for employment. NDIC does not condone any prior unlawful drug use by applicants. NDIC realizes, however, some otherwise qualified applicants may have used drugs at some point in their past. The following policy sets forth the criteria for determining whether any prior drug use makes an applicant unsuitable for employment, balancing the needs of NDIC to maintain a drug-free workplace and the public integrity necessary to accomplish its law enforcement mission. Applicants who do not meet these criteria should not apply for the position.

### **CRITERIA**

- A. An applicant who has used any illegal drug while employed in any law enforcement or prosecutorial position or while employed in a position that carries with it a high level of responsibility or public trust will be found unsuitable for employment.
- B. An applicant who is discovered to have misrepresented his/her drug history in completing the application will be found unsuitable for employment.
- C. An applicant who has sold any illegal drug for profit at any time will be found unsuitable for employment.
- D. An applicant who has used any illegal drug other than marijuana within the last 10 years *or* more than five times in one's life will be found unsuitable for employment.
- E. An applicant who has used marijuana within the past 3 years *or* more than a total of 15 times in one's life will be found unsuitable for employment.

To determine whether you meet NDIC's drug policy, please answer the following questions:

- 1) Have you used marijuana at all within the last 3 years?
- 2) Have you used marijuana more than a total of 15 times in your life?
- 3) Have you used any other illegal drug at all within the past 10 years?
- 4) Have you used any other illegal drug (including anabolic steroids after February 27, 1991) more than a total of five times in your life?
- 5) Have you ever sold any illegal drug for profit?
- 6) Have you ever used an illegal drug (no matter how many times or how long ago) while in a law enforcement or prosecutorial position or in a position which carries with it a high level of responsibility or public trust?

If you answered "YES" to any of these questions, you should NOT apply for the position. They are immediate disqualifiers.

In accordance with Executive order 12564, applicants selected for this position are required to submit to a drug test and receive a negative drug test result prior to appointment. In addition, this position is a drug-testing designated position subject to random testing for illegal drug use.

### **Other Information:**

This position is in the Excepted Service. It is excluded from provisions of the career transition assistance program.

There is no formal rating system for applying veterans' preference to appointments in the "excepted" service; however, NDIC considers veterans' preference eligibility as a positive hiring factor. External applicants eligible for veterans' preference are encouraged to include that information in their cover letter or resume and attach supporting documentation (e.g., the DD-214 or other substantiating documents) to their submissions.

Your Social Security Number (SSN) is requested under the authority of Executive Order 9397 to uniquely identify your records from those of other applicants who may have the same name. As allowed by law or Presidential directive, your SSN is used to seek information about you from employers, schools, banks, and others who may know you. Failure to provide your SSN on your application materials will result in your application not being processed.

Before being hired, you will be required to sign and certify the accuracy of the information in your application.

If you make a false statement in any part of your application, you may not be hired; you may be fired after you begin work; or you may be subject to fine, imprisonment, or other disciplinary action.

Employees who received a buyout and subsequently return to positions in federal agencies, whether by re-employment or contracts for personal services, are generally obligated to repay the full amount of the buyout to the agency that paid it.

Employment may be denied as a result of information of which the applicant is genuinely unaware or by an assessment that an applicant does not meet the agency's overall employment criteria. A negative employment determination by the agency is final, and normally no specific reasons regarding non-selection will be made. Employment with NDIC is not a right upon which an applicant can insist. NDIC notifies all applicants, in writing, of the outcome of their application.

Appointments to NDIC are made by the Director.

Applicants must meet all qualification requirements at the time of application.

**ALL EXPENSES INCURRED BY APPLYING FOR THIS POSITION WILL BE THE RESPONSIBILITY OF THE APPLICANT.**
